

ABOUT US

The best Promoters

Having celebrated the 15th anniversary, EDS promoters have stepped into another year of great achievements in the arena of real estate industry. Today, the company encompasses an array of highly qualified professionals for every segment of the construction process. Our clients recognise our commitment to deliver the highest quality work on schedule and within budget. In meeting these objectives, we consistently place our emphasis on health, safety and the environment.

Residential plots

EDS has ventured in growing sandalwood trees on patta lands as per Govt notification. Design of our Panchayat approved layout is well planned such that each plot of 1200 sq ft land is registered on clients name and will.

Our horticultural plots are a good investment for professionals, Govt employees, Private company employees and retired citizens and for everyone. Your investment includes 16 years of free maintenance (no hidden maintenance charges) with electrical fencing and regular updates of the plot and trees with photos. The plot would be registered in the clients name at the time of investment itself.

EDS Villas, Independent houses, Twin houses and row houses are also on for sale. EDS promoters is a Chennai based real estate promoting and construction company having a dynamic existence in the industry for more than a decade and half. All our clients are a very happy people since their investments are worth. EDS has developed mega townships in and around Chennai and down south. As per the reports of the EDS survey team, As a result of the discussions in our management, we have come up with the idea of promoting and selling land with useful and productive vegetation cover. This project not only helps you to offer back to the mother nature but it also loads your bank balance in due time. So we encourage you to be a part of the go green voyage we have initiated in different parts of the southern region.
